

International Conference and Winter School on Categorical Algebra, Homological Algebra, Commutative Algebra and Their Applications

February 10-11-12, 2026

The International Conference and Winter School On Categorical Algebra, Homological Algebra, Commutative Algebra and Their Applications (ICSCHAA26) is organized by the Laboratory of Mathematical Sciences and Applications (LaSMA) at the Faculty of Sciences Dhar El Mahraz, University Sidi Mohamed Ben Abdellah, Fez, with the aim of inviting researchers in the fields of Categorical Algebra, Homological Algebra and Their Applications to give talks and mini-courses concerning problems in their fields of research.

This conference is also an opportunity for participants to present their research projects in oral communications. **High-quality articles presented in this conference may be submitted for publication in Categories and General Algebraic Structures with Applications or Palestine Journal of Mathematics.**
